

September 2013

To my fellow members of the Berger Picard Club of America,

I hope everyone is planning on joining us in Obetz, Ohio for the Berger Picard Club of America National Specialty next month! The Event Chair Michael Greenberg and his specialty committees have been hard at work planning a spectacular weekend of educational, competitive and social activities including programs of interest, the Annual General Membership meeting, health updates, conformation and CGC certification.

It is costly to put on a National Specialty event each year and this year for the BPCA is no exception. I am hoping that every person can find a way to contribute in any way they can. While we are still faced with challenging economic times, a large group of people with a single focus can still find resounding success!

In honor of our beloved breed and their special celebration weekend, I would like to ask each and every club member to make a small donation if you can, to the 2013 BPCA National Specialty Fund. To make things as easy as possible, we are offering PayPal as one of your payment options. You can find a link to PayPal via the donation tab on our National Club website: http://picards.us/?page_id=2

You can also send a check made payable to theBPCAand marked "2013 National Specialty Fund" to:

***Jacqueline Carswell, Treasurer BPCA
4222 Old Hoboken Road
Blackshear, GA 31516***

We will be more than happy to accept any donation amounts your budget permits. All donations will be greatly appreciated and acknowledged in the specialty catalog if received prior to October 1, 2013.

Thank you all ahead of time for your support!!

Jacqueline Carswell-Event Secretary
